Introduction

All children of compulsory school age have the right to an efficient full-time education, regardless of age, aptitude, ability and any special needs s/he may have. Regular school attendance is essential if a child is to make the most of the educational opportunity available to them. Huyton with Roby CE (Aided) Primary takes seriously its responsibility to monitor and promote the regular attendance of all its pupils. It acknowledges that irregular attendance seriously disrupts continuity of teaching and learning, disrupts the educational progress of pupils and can lead to underachievement and low attainment. It can also impede the child's ability to develop friendship groups within school. It can place the children at risk and in some cases can result in children engaging in anti social acts.

This policy has been developed in consultation with Governors, staff, School Attendance Services and School Council. It seeks to ensure that all parties involved in the practicalities of school attendance are aware and informed of attendance matters in school and to outline the schools commitment to attendance matters. It details the responsibilities of individuals and groups involved and the procedures in place to promote and monitor pupil attendance.

The policy will aim to raise and maintain levels of attendance by:

- By encouraging regular attendance at school the policy aims to promote the maximum opportunities for the children to enjoy school and to benefit both educationally and socially by taking a full part in school life.
- Promoting a positive and welcoming atmosphere in which pupils feel safe, secure and valued.
- Raising the awareness of the importance of a differentiated and relevant curriculum.
- Promoting opportunities to celebrate and reward pupil's successes and achievements.
- Raising awareness of the importance of good attendance and ensuring that all parents, governors, staff and children understand what constitutes good attendance at Huyton with Roby CE (Aided) Primary School.
- Ensuring that attendance is monitored effectively and reasons for absences are recorded promptly and consistently.
- Developing good habits for the world of work.

How children can help us:

- Attending school regularly.
- Respecting other children and adults at home and in school.
- Being positive, caring and happy so that they can establish positive and productive friendships with their peers at school.
- Having good organisational skills so they can attend school regularly and punctually.
- Going to bed at a reasonable time so that they are alert for school and ready to tackle the demands of school life.
- Informing a trusted adult, at home or school, if they feel that they are being bullied.
- Informing a trusted adult, at home or in school, of problems that may stop them from attending school.

How parents/carers can help us;

- Ensuring that their children regularly attend school, that they arrive on time and do not condone any unwarranted absence from school.
- Contacting the school, before 9:30am, every time their children are absent, giving details of the reason for the absence and the approximate length of time their children will be away.
- Always sending a letter into school confirming the reason for their children's absence on their return to school.

- Helping their children to prepare for the school day by encouraging their children to have 10 to 12 hours sleep, all homework has been done and that their children are prepared for school the following day.
- Making an appointment with the class teacher in the first instance and then with the learning mentor for additional support to discuss progress and problems if there are changes or issues in family circumstances which may affect their children.
- Contacting the school if problems arise which may keep their children away from school. The staff at school may be able to help.
- Working closely with the school and School Attendance Service (SAS) to resolve any problems that may impede their children's attendance.
- Always avoid taking family holidays during term time, especially during September when their children start their new classes and in May while their children engage in end of year assessment tests.
- Parents/carers will be required to complete a leave of absence request form available from the school office and return it to school. This does not necessarily mean that the absence will be authorised. School makes the decision to authorise or not authorise each absence applied for.
- Supporting their children and recognising their successes and achievements

How school can help children and parents/carers;

- Create a welcoming and trusting Christian environment that encourages the children to attend school.
- Give parents/carers reassurance that school staff will deal with all attendance issues in a professional, sensitive and confidential manner.
- Give a high priority to punctuality and attendance by rewarding children's excellent attendance by giving certificates and golden time.
- Encourage open communication channels between home and school.
- Make early contact through first day response when children fail to attend school, if no reason has been provided.
- Develop a range of effective strategies to follow up intermittent and persistent absenteeism and promote good attendance.
- Develop accurate and detailed procedures that enable the school to identify follow up and record; unauthorised absence, patterns of absence, parent/carers condoned absence, with effective monitoring and intervention.
- Ensure the children are safe; teachers and designated support staff are in the classrooms at the start of every designated morning and afternoon teaching sessions.

How Knowsley Local Authority can help;

- The Local Authority has a responsibility to provide education and promote regular attendance of all statutory school age children.
- Through the School Attendance Service the Local Authority provides support to schools and parents to fulfil their legal duty.
- The School attendance Service is the enforcement agency of the Local Authority and as well as providing guidance and support through its officers may take a parent to court for not fulfilling their duty under section 444(1) of the Education Act 1996. The court may fine the parent and put in place a School Attendance Order (SAO), an Education Supervision Order (ESO) or a Parenting Order.
- From 1st September 2013, The Education (Pupil Registration) (England) (Amendment) Regulations 2013 amends the 2006 Regulations and makes clear that Head Teachers may not grant leave of absence during term time unless there are exceptional circumstances. The Local Authority will support school in the enforcement of this regulation.

Attendance and pre aged School Children

- Excellent home school links are encouraged to boost attendance in school. Parents/carers actively participate in all aspects of their children's education.
- Home visits are an appropriate way of raising awareness of attendance and also a means to discuss any difficulties with attendance.
- Regular attendance at the nursery and reception classes will benefit the children enormously. They and their parents/carers will have a good idea of what is expected of them.

The role of the class teacher:

- The class teacher has a legal responsibility to take the register at the start of every morning and afternoon teaching session.
- The class teacher/ designated LSA, at the start of every morning and afternoon teaching session, will take a register recording who is present and absent from school at **8.50am (9:00am in nursery)**. The register officially closes at **10.00am** and any pupil arriving after this will be marked absent for the session. A reason for the lateness will need to be provided and a decision made by the school to mark it as an authorised or unauthorised absence.
- At 8:50a.m. any child who is not present to receive a dot on the register until afternoon registration when the teacher must record a L or a U mark.
- The register is taken to the school office at the end of the last day of the week during term time. This is normally a Friday afternoon. The register should be in the office no later than 1:30p.m.
- The class teacher must keep an absence file of all the letters sent into school by parents/carers explaining their child's absence from school.
- The class teacher must ensure that all N codes are changed to code O (unauthorised absence) if no reason has been provided within two weeks.
- Teachers to complete accurate and consistent registers.
- The class teacher must send out a letter, asking parents to explain why their child has been absent from school.
- The class teacher should ensure that a child receives certificates that celebrate 100% attendance for half term, full term and full year.

The role of the School Secretary

- Every Friday afternoon the secretary to input all attendance data into the computer.
- Every Monday morning ensure that the class teachers have registers for the current week.
- To provide weekly print outs to class teachers of all outstanding unauthorised attendance marks and class list of children whose attendance is below 95%.
- To record in the late book the names and reasons of all children arriving late to school.
- The school secretary must record children leaving school during the school day, i.e. medical appointment.
- Supply the Head teacher with details of any requests for leave of absence including holidays.
- Every Monday morning to give the best attendance of the week in KS1 and KS2 to learning mentor.

The role of the Learning Mentor/Pastoral Care Manager

- To work with individual children and their parents/carer to reduce barriers to poor attendance.
- The Pastoral Care Manager organises attendance panels for parents, attended by the School Attendance Improvement Officer, the school nurse and staff of the school to discuss attendance issues.

- To update the attendance display in both halls weekly.

The role of the Learning Support Assistant

- LSA to make telephone calls to parents/carers whose children are away from school on the first day of absence. If no contact is possible, parent mail is used to send a text to parents/carers. Details of absences for children should be given to Pastoral Care Manager if considered appropriate.

The role of the Headteacher

- To ensure that he/she is regularly informed by the Pastoral Care Manager of important attendance issues.
- To ensure that governors are informed of attendance issues via the termly head teacher's report.
- To ensure that all relevant attendance forms and data are sent to the DCFS and Knowsley Local Authority.
- Ensure that leave of absence procedures are adhered to.

School Procedures for Recording and Monitoring Attendance

Recording

- The class teacher has a legal responsibility to take the register at the start of every morning and afternoon teaching session.
- The class teacher/ designated LSA, at the start of every morning and afternoon teaching session, will take a register recording who is present and absent from school at **8.50am(8.40am in Nursery)**.
- Any late children should then enter the school through the main entrance. If any pupil arrives late the office staff will record in a Late Book the child's name, class, time and reason for lateness. If a child arrives unaccompanied the office staff will ask the pupil to offer a reason. All staff need to be aware that any child arriving late **MUST** register at the office for purposes of fire regulations.
- The register officially closes at **10.00am** and any pupil arriving after this will be marked absent for the session. A reason for the lateness will need to be provided and a decision made by the school to mark it as an authorised or unauthorised absence.
- The register is again taken at **12.40pm (Foundation). 1.10pm. Key Stage 1 classes and 1:15pm Key Stage 2 classes.**
- Reasons for absence should be offered verbally by phone but **must** be followed by a letter on the child's return to school. The school may then decide if it wishes to authorise the absence or record it as an unauthorised absence. This decision will be made within the guidance set out in the 1996 Education act, which identifies the following reasons as acceptable reasons for an authorised absence.
 - The child is ill or is prevented from attending by unavoidable cause.
 - The child is absent 'with leave'. This refers to leave being granted by the school, not by the parent/carer. A reason for a period of absence is always required.

Dealing with Truancy

- The parent/carer
- The police

All truants will receive:

- Sanctions
- Support
- Discussions with the Pastoral Care Manager to understand the seriousness of the matter.
- A programme of monitoring and support.

The Police must be informed immediately if a pupil leaves school without prior permission.

Monitoring

- The Pastoral Care Manager and the School Attendance Service will review the attendance of all the schools children's on a regular basis, and any pupils identified as cause for concern or who have persistent absences will be monitored closely. A letter from the Pastoral are Manager will be sent to the parents of any pupil identified as having attendance problems,

informing them of the school's concerns and offering support to resolve any issues that may be impeding children from attending.

- The pupil's attendance will be closely monitored and if after a reasonable period there appears to be no improvement, the parents of the pupil may be invited to a panel meeting with the Pastoral Care Manager and School Attendance Service. The purpose of this meeting will be to discuss the barriers causing poor attendance and to offer support.
- Persistent unauthorised absences will be referred to the School Attendance Service and a penalty warning letter issued. This may be followed by a Penalty Notice.
- The electronic registration system provides many reports and information that assist the school to monitor attendance. These reports will be accessed when relevant and provide information to assist the school in strategically managing attendance issues.
- The School Attendance Service will also have access to this information and will use the reports to support their role.

Leave of absence

- Parents/carers will be required to complete a leave of absence request form available from the school office and return it to school. This does not necessarily mean that the absence will be authorised. School makes the decision to authorise or not authorise each absence applied for.
- Where possible parents/carers should submit the request four weeks prior to the date of the leave of absence.
- Parents/carers may be required to attend an interview with Head Teacher or Pastoral Care Manager to discuss their request for a leave of absence.
- Parents/carers will normally be notified of the outcome of their application for a leave of absence within ten school days of the date of the application.
- Working with Knowsley School Attendance Service, school adheres to the penalty warning / notice scheme. Parents/Carers may receive a penalty warning letter or penalty notice if their child/ren has unauthorised holidays or absences during term time.

If the leave of absence is not agreed by the school, but the pupil is absent on the requested dates, the absence will be recorded as 'O' this will mean the absence has been recorded on the school attendance register as unauthorised.

Where a pupil is absent from school without permission of the school, the parent/carer of the pupil may be issued with a £60.00 Penalty Notice per family, per child. If the notice remains unpaid after twenty one days, the penalty increases to £120.00. If the notice remains unpaid after twenty eight days, the Local Authority may commence proceedings under section 444(1) of the 1996 Education Act in the Magistrates Court.

Exceptional Circumstances

In exceptional circumstances, Huyton with Roby CE School will consider a request for leave of absence for one period of absence during the academic year.

The Head Teacher or person designated by the Head Teacher will determine what are considered to be exceptional circumstances.

An example of exceptional circumstances may be:

- Leave of absence connected to children of service personnel.

Official Register

- A copy of the electronic register will be printed weekly providing a paper version of the electronically stored information for the previous term. The register will also have an audit trail of changes printed with it to provide a 'history of change' for the registration period printed. The monthly printouts will be bound together to form a year's record and stored for a period of 3 years in a secure location.

Strategies used to promote good attendance and punctuality

- Class teacher will ensure that the curriculum is delivered within a culture of inclusion and in such a way that pupils feel that they have and can succeed.
- Individual pupils whose attendance has been a cause for concern will be encouraged to set and achieve personal attendance goals.
- Pupil attendance figures will be published with the annual academic reports.
- Positive verbal reinforcement is given to pupils who have been absent from school for a period of time.
- Best attendance of the week displayed in both school halls.
- 100% attendance celebrated and certificates given.
- Attendance addressed in newsletters and good attendance celebrated.
- LSA to make telephone call on the first day of absence and to give written copies to the class teacher and learning mentor when appropriate.
