Christian Values

The Value for this Half Term is: Creativity

This Half Term's Christian Value is 'Creativity.' We are exploring what the Bible tells us about God as Creator. We are also thinking about the ways that we have been made to be creative too and discussing the idea that we all have gifts that we can use to help and encourage others. We are having lots of discussions about how we can be creative in the way that we learn different curriculum areas and how we can be creative in our friendships too.

This week we are praying for all those families who are facing difficult times whether through illness or relationship breakdowns. We pray for peace, strength and healing. If you would like us to pray for anything in particular, please fill in the prayer slip at the bottom of the newsletter and send it to school. It can be anonymous if you prefer.

Attendance

Attendance is a really important factor in children's learning and success. Please ensure your child is in school and on time every day. If your child is absent, please send a letter explaining their absence for school to authorise or unauthorise. Below is the attendance for last week in each class. Please note that national average for attendance is around 96%, every day and every child counts.
