

## Huyton with Roby CE Primary School - Newsletter - 19.10.17

### Christian Values

#### **The Value for this Half Term is: Courage**

This half term's Christian Value is 'Courage'. We have been talking about the ways in which we can encourage one another to be courageous, showing bravery and perseverance when we find things hard or scary. We have also been exploring the theme of Courage in our Worship times, listening to and enjoying Bible stories and songs that show us how people have trusted God in difficult times and how we can apply these stories to our lives today.

This week we are praying for the children and adults in our school community over the half term break. We pray for rest and a recharging of energy so that we can have a hard working and purposeful second half to the term. If you would like us to pray for anything in particular, please fill in the prayer slip at the bottom of the newsletter and send it to school. It can be anonymous if you prefer.

### Harvest

Thank you all for your gifts brought to our celebration of Harvest. The gift of food will be given to the Food Bank where we know it will bring much needed supplies for our community. Thank you for joining us at our celebrations. It is lovely to worship together and all of us here at school, children and adults appreciate you taking the time to join us.

### Half Term

Remember we break up for half term on Thursday 19<sup>th</sup> October as Friday 20<sup>th</sup> October is an INSET Day. The children have worked hard this half term and made a good start to the school year. Thank you for all your support in ensuring correct uniform, prompt attendance and completion of homework. Please keep this up next half term after a good rest so that we can make the most of every moment for learning and progress.

### September 2018 Intake Open Evening

The school is running an Open Evening event on **Tuesday 14<sup>th</sup> November 3:30pm - 5:00 pm** for parents with children due to start reception or nursery in September 2018. This is an opportunity to visit the school, meet with the teachers and take a look around. Please come and join us.

### Children's Photographs

Please ensure you tick in the blue column if you want a mount on your child's school photograph. These are included in the price but unless you tick the box the photograph will be sent without the mount. The deadline for photograph orders to the school office is Wednesday 1<sup>st</sup> November. Please note you can also order on-line if you prefer.

### Maths Mastery

Be sure to look at the maths section on our website, where Mr Mounsdon has added information on mastery. There is an explanation of mastery and some links to clips about teaching for mastery. Class Dojo will also have a link put on from Mr Mounsdon. It was an exciting and very informative trip for Mr Mounsdon when he visited China to experience the specialist teachers over there. They will also be visiting Huyton with Roby so we will keep you in touch with how you can join in aspects of their visit.

### After School Clubs

Each week on the newsletter we will publish which clubs are taking place. We have a wide range of clubs in school, but after the initial letter it is easy to forget what is happening, so we will keep you informed. Letters will have come home or be coming home soon, so keep checking your child's bag.
