

## Huyton with Roby CE Primary School - Newsletter - 21<sup>st</sup> April 2017

### Christian Values

#### **The Value for this Half Term is: Forgiveness**

'This half term's Christian Value is 'Forgiveness.' We will be thinking about how forgiveness is the means by which damaged relationships can be restored. We will be talking about how Christians trust in Jesus' death on the cross to restore their friendship with God. We will also explore how this forgiveness inspires us to show forgiveness to others too. In our discussions, we will consider how we can all make mistakes and at times we all need forgiveness. We will celebrate the idea that we can make amends and receive second chances - a fresh start.

This week we are praying for the Year 6 and Year 2 children in particular as they make their final preparations for their SATs. If you would like us to pray for anything in particular, please fill in the prayer slip at the bottom of the newsletter and send it to school. It can be anonymous if you prefer.

### CATS

Please could the cast of CATS make sure they have their costumes in school for rehearsals in a bag with their name clearly labelled on it. See Miss Martin or Mrs Stephenson with any questions.

Professor Poopenshtinken wanted to come again in person when he heard that there was another club running at your school! He was really excited to be heading back to your school. He was wondering if he was going to see some of the pupils from last time or some bright new faces, it was clear that we were all ready for Magical Maths. The Professor burst in the classroom to see all the pupils. Some were even more energetic than him. Week one of Magical Maths had begun. **It is not too late to sign up for the Magical Maths sessions - contact details are: Brian Banks (Head of sorting travel arrangements for Professor Poopenshtinken) (01744776110)**
