

## Huyton with Roby CE Primary School - Newsletter - 23<sup>rd</sup> June 2017

### Christian Values

#### **The Value for this Half Term is: Thankfulness**

This half term's Christian Value is 'Thankfulness.' We will be looking back over our school year and thinking about all of the things that we would like to say 'Thank you' to God for. We will think about the many ways that we have been blessed as a school and as individuals and share the things that we are grateful for each day. During our times of Collective Worship, we will also reflect on why Christians are thankful for Jesus's death on the cross, as well as considering God's faithfulness and kindness generally.

This week we are praying for the people affected by tragedies or disasters across our country. We pray for strength and healing. If you would like us to pray for anything in particular, please fill in the prayer slip at the bottom of the newsletter and send it to school. It can be anonymous if you prefer.

### Birthday Cakes

While we really appreciate the kindness of parents sending cakes into school for a birthday, and while we enjoy celebrating birthdays with children. We do not always have enough staff on duty to cut and wrap the number of cakes we often receive in a day. If you would like to share something with your child's class to celebrate birthdays, please send individual items in such as single cupcakes per child or a small bag of treats. We do not want to discourage celebration, but would appreciate your support in making these celebrations manageable in class.

### Frosty Friday

Our plan for Frosty Friday brought a change in the weather - we must have ruined it for everyone! We will sell our stocks of ice pops alongside the cookies for as long as stocks last. We hope the children enjoy them while they last whatever the weather!
