

## Huyton with Roby CE Primary School - Newsletter - 27.1.17

### Christian Values

#### **The Value for this Half Term is: Humility**

Our Christian Value as we start a new year is 'Humility.' We will be looking at Bible stories that tell us how Jesus taught His disciples what it means to be humble. We will be thinking about what humility means and how Christians can serve God and each other by showing humility through their attitudes and actions. We will be exploring the following: How can we encourage one another to serve? How can we promote sympathy for others? How can we grow in confidence in asking for and receiving help when we need it? This week we are praying for all those families affected by system changes which have a negative effect on family life or finances. We pray for resilience and strength and for people in influential places to make good decisions. If you would like us to pray for anything in particular, please fill in the prayer slip at the bottom of the newsletter and send it to school. It can be anonymous if you prefer.

### Epiphany Service

Well done to the children who sang at the cathedral. We have had lovely emails thanking us and telling us how wonderful you were. Thank you to the staff and helpers who accompanied them. Well done!

### Slow Down for Bobby

Please find below the link for the book which was used in the 'Slow Down for Bobby' assembly. This is an important issue for the children to be aware of and is a campaign I know many of you support. You can order your own copy of the book using the link here. <http://thebobbycollerantrust.org.uk>

### Clubs

Please see below for details of clubs currently taking place in school. Contact the relevant member of staff if you wish to have further details or to enquire about places.

### Dismissal of Children

Please take note of our systems for dismissing children:

- Children from Nursery to Year 4 should be collected from school by an adult. This adult should be known to the child and school. If there is a change to the usual practice for that child, the parent / carer should inform the school so that the adult dismissing the class is aware.
- For children in Year 5 and Year 6 parents/ carers should decide how they would like their child to be dismissed, to an identified adult or to walk home on their own. If your child is in Year 5 or Year 6 and you wish them to walk home on their own, this should have been documented with the class teacher.
- If a child is being collected by anyone other than the parent / carer and is to leave school with another adult, parents / carers should inform the class teacher by a letter. For example if a group of children are being collected by another parent for a party or sleepover, the class teacher must be aware and have written permission. The person collecting your child should also be advised of which door your child will come through and which class they are in.
- If your child attends an after school club, the club must have written permission for the child to attend the club and a written agreement as to how the child is to be dismissed after the club.

### Car Park

Please remember the car park is not for the use of parents. Parent's cars should not be coming into the car park early in the morning and waiting with children in the car for the start of the day. Neither should cars 'tailgate'.

### Feedback
