Christian Values

The Value for this Half Term is: Humility

Our Christian Value as we start a new year is 'Humility.' We will be looking at Bible stories that tell us how Jesus taught His disciples what it means to be humble. We will be thinking about what humility means and how Christians can serve God and each other by showing humility through their attitudes and actions. We will be exploring the following: How can we encourage one another to serve? How can we promote sympathy for others? How can we grow in confidence in asking for and receiving help when we need it?

This week we are praying for all those families affected by system changes which have a negative effect on family life or finances. We pray for resilience and strength and for people in influential places to make good decisions. If you would like us to pray for anything in particular, please fill in the prayer slip at the bottom of the newsletter and send it to school. It can be anonymous if you prefer.

Huyton with Roby is supporting Safer Internet Day 2017

Huyton with Roby is joining the global Safer Internet Day campaign to promote the safe and responsible use of technology.

Coordinated in the UK by the UK Safer Internet Centre, Safer Internet Day will take place on Tuesday 7th February 2016 with the theme 'Be the change: Unite for a better internet'.

Celebrated in over 100 countries, Safer Internet Day will see our school join hundreds of organisations right across the UK and globally to 'be the change' and help create a better internet.

To celebrate the day, children will be taking part in a range of activities in their classes and there will be assemblies for each key stage delivering advice and information suitable for that age range.

Huyton with Roby will be part of a nationwide day of action involving the #SID2017 social media campaign and youth events where young people will have the opportunity to have their say about the digital issues that affect them.

Will Gardner, Director of the UK Safer Internet Centre and CEO of Childnet, said:

"Safer Internet Day is an opportunity for everyone across the UK and globally to unite for a better internet. Whether you are a young person, parent, carer, school or organisation, we can all 'be the change' and take positive actions to make the internet a better place. Hundreds of schools and organisations have pledged their support for Safer Internet Day and it is this collaboration that helps ensure Safer Internet Day has such a positive impact, reaching 40% of UK children in 2016 and growing year on year."

Social Media

Please monitor your children's use of social media, ensure you are putting the right level of controls in for your children. "Muiscl.ly" has been causing trouble for families lately.

Craft Session with Y2

Thank you from the children and staff in Year 2 to all the family members who joined them in their craft session. We are pleased everyone had a good afternoon and for the lovely work which was produced.
