EYFS Grass Replacement - Works to start 21.3.17

We have received notification today that a contractor is able to start work on replacing the grass in the EYFS outside area with artificial grass. This will provide a multi weather surface for the children to play on and reduce the difficulties with the muddy areas.

The contractor is hoping to complete the works within two weeks so hopefully the disruption will be minimal.

Children in the Nursery and in the two Reception classes can still be brought to the classroom door in the morning and collected from the classroom door at the end of the day. However the gate by the side of the Link Room which leads to the main entrance will be blocked by the contractors.

Parents will need to use the Casino Road gate or walk round onto the junior yard if they wish to come round to the main entrance and the office.

Please do not hesitate to contact school with any questions.

Kind Regards

Jill Stratford

Headteacher
