

## Huyton with Roby CE Primary School - Newsletter - 1.12.17

### Christian Values

**The Value for this Half Term is: Compassion**

Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you.

***Ephesians 4:32***

This week we are praying for everyone during the season of Advent. We pray that Advent will be used as a time for everyone to take the opportunity to look after each other and those who need help in our community. If you would like us to pray for anything in particular, please fill in the prayer slip at the bottom of the newsletter and send it to school. It can be anonymous if you prefer.

### Nursery Christmas Party

Our Nursery children will be having their party on Tuesday 19<sup>th</sup> December from 10.00am - 11.40am. This is a different time to the other parties, so please take note.

### Breakfast with Santa

Tickets go on sale from Breakfast with Santa on Monday 4<sup>th</sup> December. They are available from the Infant Porch most mornings and after school.

### After School Clubs

Each week on the newsletter we will publish which clubs are taking place. We have a wide range of clubs in school, but after the initial letter it is easy to forget what is happening, so we will keep you informed. Letters will have come home or be coming home soon, so keep checking your child's bag.

<b>Club</b>	<b>Day and Time</b>	<b>Year</b>	<b>Staff Contact</b>
Gymnastics (Until Christmas)	Thursdays 3.15 - 4.15pm	Y1/Y2	Miss Carr (R2)

### Feedback

Please feedback any information or questions you wish to put forward to Mrs Stratford in school or contact school through e-mail on [huytonwithroby@knowsley.gov.uk](mailto:huytonwithroby@knowsley.gov.uk) or phone on 0151 477 8460

### Prayer Requests

Please pray for:

Name (optional) \_\_\_\_\_

## **To all Schools, Nurseries and Alternative Education Providers in Cheshire and Merseyside**

There is a measles outbreak in Liverpool affecting unimmunised children. Measles is highly infectious and I would be grateful if you could share the message below with parents and guardians of children in your care.

Please exclude any child with suspected measles for 5 days after onset of rash. Staff members can get MMR vaccine from their GP if they require it. MMR vaccine can be given to adults of any age.

### **MESSAGE FOR ALL PARENTS/GUARDIANS ABOUT MEASLES AND MMR VACCINE**

There is a measles outbreak in Liverpool affecting unvaccinated children. Measles is highly infectious. It can cause serious illness and can sometimes be fatal. Vaccination with 2 doses of MMR is the only way to protect children and young people.

The first MMR vaccine is given to toddlers at the age of 13 months and the second injection at around 3 years and 4 months before your child goes to school. MMR can be given to older children, teenagers and young adults if they missed their injections when they were younger.

**Contact your GP practice if your child needs an MMR vaccine.** The vaccine is free. If you are not sure if your child needs an MMR vaccine, you can contact the GP to ask.

**Measles is not just a little kids' problem.** Teenagers, young adults and anyone who has missed their MMR vaccination can get measles.

The first signs of measles are

- Fever
- Cough, runny nose and red sore eyes
- After a few days, a spotty rash appears. It starts on the face and neck and spreads to the rest of the body.

If you think your child has measles, ring your GP practice for advice. Don't turn up to the surgery, walk in centre or to Accident and Emergency without calling ahead. The doctor will make special arrangements to see your child so that if your child has measles - they won't pass it on to others.

Keep people with symptoms of measles away from others to avoid spreading measles, and stay away from school, nursery or work for 5 days after the onset of rash.

**Travel advice:** There are large outbreaks of measles currently in Romania, Italy or Germany. Make sure you are up to date with your MMR vaccine if you are planning to travel to these countries.

If you would like more information, see <https://www.nhs.uk/conditions/measles/>
