Christian Values

The Value for this Half Term is: Responsibility

This Half Term's Christian Value is 'Responsibility.' We will be talking about how the Bible teaches that life is a gift from God and it is our responsibility to use our talents and abilities in the best way we can. We will also be reflecting on how we can encourage one another to act responsibly inside and outside of the classroom. This week we are praying for those affected by the recent snow, storms or interrupted water supply. If you would like us to pray for anything in particular, please fill in the prayer slip at the bottom of the newsletter and send it to school. It can be anonymous if you prefer.

Attendance

Well done to our Attendance Trophy Winners who are Class 2A and Class 4D.

Please make sure your child is in school every day, on time and ready to learn. If they are not in school, they will miss important learning. If you are having difficulty with your child's attendance - please talk to your child's class teacher or to Mrs Wade our Pastoral Care Manager.

LDST - 10 Experiences - Letter coming home

At a recent meeting of the head teachers in the LDST (Liverpool Diocesan Schools Trust) there was a discussion on the aims of the trust and what we wanted to achieve as a group of schools. Different projects were planned for the group of schools to work together. One of these projects was the 'Ten Experiences' project. As a group of schools we would really like to secure ten experiences for our children over the years they are us.

We would like you help to identify the ten experiences you would like our children to have while they are at Huyton with Roby. It may be going to the theatre, hearing live music, playing an instrument, climbing a mountain, meeting an author, working with the elderly, speaking in public, performing in a play, reading classic novels, having a camp fire, learning to cook a meal, sleeping at a residential to name but a small selection.

Please discuss the ten experiences you would like for your children and list them on the letter coming home. All the ideas from across all the schools in the Trust will be shared and discussed and a common list compiled. Then we will try to plan how we can achieve them.

Those sheets that are returned by the deadline will go into a prize draw for a £30 Asda voucher for the adult and some prizes for the children.
