Lesson/Task 3	Science or Foundation subject.	Science or Foundation subject.	Science or Foundation subject.	Science or Foundation subject.	Science or Foundation subject.

Notes

- The days have been numbered rather than given days of the week as remote learning could begin at any time during a week.
- This is a suggested timetable and routine for the tasks that will be set daily during remote learning, parents and children are free to complete the tasks in a different order, however, this format closely follows the structure of our school day.
- Lesson/Task 3 will either be a science or foundation subject e.g. History, Geography, RE etc, this could be focussing on a different subject each day or the same subject for a number of days.
