<b>EYFS</b>	<p>Through all areas of the EYFS curriculum, PSED is at the heart of children’s learning. Staff promote and encourage strong, warm and supportive relationships with adults to enable children to learn how to understand their own feelings and those of others. Children are constantly supported to manage emotions, develop a positive sense of self, set themselves simple goals, have confidence in their own abilities, to persist and wait for what they want and direct attention as necessary. Through adult modelling and guidance, they will learn how to look after their bodies, including healthy eating, and manage personal needs independently. Through supported interaction with other children, they learn how to make good friendships, co-operate and resolve conflicts peaceably.</p>
