Phonics & pronunciation we will see:

Recommended phonics focus: É E È EAU EUX

- **E** sound in **appartement**
- **EAU** sound in **bureau**
- **Silent letters.** The 's' is not pronounced in many words like **dans**, **habites**, **mais** and **bains** the 't' is not pronounced in **et**. These two consonants are often silent when they are at the end of words.
- **Elision.** **J'habite.** Dropping of the last letter of a word (in this case the 'e' in **je**) and replacing it with an apostrophe. Attaching it to the word that follows which begins with a vowel or mute 'h'. This is in order to facilitate pronunciation. It is not optional in French.
