Christian Values

The Value for this Half Term is: Humility

Humble yourselves, therefore, under God's mighty hand, that he may lift you up in due time.
Cast all your anxiety on him because he cares for you.

1 Peter chapter 5 verse 6-7

This week we are praying for all our families who are caring for relatives with illness. We pray for strength for the people caring and healthy recovery for those who are ill.

If you would like us to pray for anything in particular, please fill in the prayer slip at the bottom of the newsletter and send it to school. It can be anonymous if you prefer.

Attendance

Well done to our Attendance Trophy Winners who are Nursery and Class 4M .

Whole school attendance last week was: 88.7%

Well done 5JC for all being on time for school last week.

Class	% Attendance	Number of lates	Class	% Attendance	Number of lates
R1	90.8	3	R2	92	17
1S	93.6	3	1R	93.3	3
2G	83.3	1	2S	88.2	2
3G	80	4	3A	85.9	1
4M	95.1	7	4D	89.9	9
5AC	84.8	5	5JC	87.4	0
6Y	90.1	1	6HB	89.3	6
Nursey	97	1			

The minimum we expect for attendance is **97%, with excellent punctuality**. Thank you to all those many, many families and children who hold attendance as a high priority. We know you support your child and want the best for them. **We know that children are sometimes ill and we know that Covid can have a big impact on a child's attendance and we understand this.**

What we also know is that holidays during term time, appointments made during school hours and unnecessary absences make a difference to the child's attendance and hence interrupts learning and friendships. These unnecessary absences are things such as:

- Waking up late but staying off school all day instead of coming late.
- Attending a medical appointment in the morning, but not coming back to school afterwards.
- Attending a medical appointment in the afternoon but not coming into school for the morning session.
- Feeling unwell in the morning, feeling better by lunchtime, but not coming to school.
- Taking a Friday off when going away or the weekend 'to miss the traffic'.

- A late night leading to tiredness and absence the whole of the next day.
- Not attending if they have not completed homework and know they are missing some play time to complete the work.

Blue Peter Music Badge

Did you know that our young musicians can apply for a Blue Peter music badge online? If you are one of our wonderful instrumentalists learning an instrument in school (ukelele in year 3, violin in years 4 and 5 and guitar across key stage 2) or if you learn an instrument outside of school, you can apply for a badge by filling in a few simple details and sending in a picture of you with your instrument. Blue Peter badge holders get free access to many different attractions across the UK including the Beatles museum, Blackpool pleasure beach, chill factore- Manchester and Knowsley safari park amongst so many other places! If interested you can apply on the CBBC website and will need adult permission. Do let us know once you receive your badge. We'd love to see it in school. Such a lovely award to receive.

Mrs Collins

Children's Mental Health Week is taking place on 7-13th February 2022. This year's theme is Growing Together.

We will be encouraging children (and adults) to consider how they have grown, and how they can help others to grow - perfect for our Growth Mindsets at the moment too!

On Friday 11th February, we encourage children to 'Dress to Impress' by coming into school in their own clothes, using a colour or colourful outfit to express themselves! Please note, this is completely optional.

We are hoping that together, we can really shine a spotlight on children's mental health!

ACTION FOR HAPPINESS Happier · Kinder · Together

'Action for Happiness' Calendar for February. Use this with your child and for yourself to help support 'Friendly February'.

This term, we have been encouraging all of the children at Huyton with Roby to have a Growth Mindset with their learning and daily tasks. We all have beliefs about our own abilities and potential.

These beliefs are part of our mindset – they can fuel our behaviour and predict our success.

A Growth Mindset occurs when we believe our intelligence and abilities can be improved with effort and the right strategies.

Having a Growth Mindset is about believing in the power of yourself and your brain!

'Change your words, Change your mindset'

We would love for you to get involved in our new Growth Mindset focus – if you are interested in helping your children further take a look at our 'Wellbeing' page on our website for some supportive tips and videos that will help you encourage your children to develop their positive thinking.
