

Five Pink Pigs

(Teach this as a spoken word rhyme, or choose your own tune.)

Five pink pigs, rolling in the mud,
Going squishy, squashy, squishy, squashy, it sure felt good!
Farmer (child's name) took one pig out and cleaned him up nice,
Now there are four pink pigs rolling in the mud.

Four pink pigs...

Three pink pigs...

Two pink pigs...

One pink pig, rolling in the mud,
Going squishy, squashy, squishy, squashy, it sure felt good!
Farmer (child's name) took one pig out and cleaned him up nice,
Now there are no pink pigs rolling in the mud.
