Christian Values

The Value for this Half Term is: Perseverance

2 Peter Chapter 1 v 5-7

Make every effort to add to your faith goodness; and to goodness, knowledge; and to knowledge, self-control; and to self-control, perseverance; and to perseverance, godliness; and to godliness, kindness; and to brotherly kindness, love.

This week we continue to pray for all our families and the cost of living rises. We pray for job security and families as they try to ensure bills are paid and life runs smoothly at home. We also pray that our families have a restful and happy Easter.

If you would like us to pray for anything in particular, please fill in the prayer slip at the bottom of the newsletter and send it to school. It can be anonymous if you prefer.

Well done to our Attendance Trophy Winners who are 2G with 96% and 3G with 99%

Well done to 5JC for having the best punctuality with zero lates.

Whole school attendance last week was: 91.5%

3G	99.1	4	3A	88.6	5
4M	90.7	9	4D	89.3	5
5AC	89.2	5	5JC	84.2	0
6Y	93.4	6	6HB	95.4	6
Nursey	91.2	0			

Well done to 3G 'in the green' this week.

The minimum we expect for attendance is **97%, with excellent punctuality**. Thank you to all those many, many families and children who hold attendance as a high priority. We know you support your child and want the best for them. **We know that children are sometimes ill and we know that Covid can have a big impact on a child's attendance and we understand this.**

What we also know is that holidays during term time, appointments made during school hours and unnecessary absences make a difference to the child's attendance and hence interrupts learning and friendships. These unnecessary absences are things such as:

- Waking up late but staying off school all day instead of coming late.
- Attending a medical appointment in the morning, but not coming back to school afterwards.
- Attending a medical appointment in the afternoon but not coming into school for the morning session.
- Feeling unwell in the morning, feeling better by lunchtime, but not coming to school.
- Taking a Friday off when going away or the weekend 'to miss the traffic'.
- A late night leading to tiredness and absence the whole of the next day.
- Not attending if they have not completed homework and know they are missing some play time to complete the work.

The Owl is FINALLY complete but not yet ready to be revealed!

Miss Coppell and Mrs Gorman are incredibly proud of all the hard work that the Owl Club attendees have put in to make this project come to life.

Please keep your eyes peeled for the big reveal and details about the trail! Exciting things to come...

KIDS IN THE WILD

We have received an email from a television company called Love Productions. They are the makers of The Great British Bake Off and Junior Bake Off. They are making a brand-new programme for Channel 4 and are looking to find children to take part in a once in a lifetime wild camping adventure this summer. They are looking for children ages 9-11 from all areas of the country, from a range of backgrounds, abilities and ethnicities.

They have contacted us to invite the parents of children in years 4, 5 and 6 to put their family forward to take part in this adventure. The experience takes place this summer holiday in rural location in Britain.

The programme will explore what children are capable of in an outside, wild environment. After the last few years of lockdown, they think it's the right time to make a programme about children getting to experience the great British outdoors.

KIDS IN THE WILD

- Do you have a child aged 9, 10 or 11 years old?
- Do you want your child to have the ultimate summertime adventure?
- Are you fed up with seeing them inside on screens?
- Do you think your child would benefit from time spent in the wilderness?

Kids in the Wild (working title) is a new six-part series for Channel 4 that will explore the experience of a diverse range of children as they spend two weeks in nature. The programme will be filmed in a rural area of Britain at the start of the 2022 school summer holidays. Throughout their stay, they will have extensive adult support to ensure their safeguarding but they will be encouraged to do things for themselves to learn how to cope with the challenges of living in the countryside.

Your child and a parent/legal guardian will need to be available for filming **between 23rd July and the 7th August 2022.**

If you cannot apply online and would like an application form posted to you, please email kidsinthewild@loveproductions.co.uk or call 020 7067 4855 if you have any problems.

Applications close at 8.59pm on Sunday 10th April.

GOOD LUCK!

The Kids in the Wild team

This is not a school organised event – we have just agreed to publicise the event in case any of our families had not seen the advert.

Vision

*Teach children how they should live, and they will remember it all their lives.
Proverbs 22:6*

We have chosen this verse as our vision because we want school to prepare children for living a life 'in all its fullness'. We want them to achieve well, to be a good friend and have healthy and positive relationships through life. We want children to understand how to choose a job they will be happy in and how to live a life which makes them fulfilled. We want them to see God at work in their lives and turn to him when they need to. We believe that school prepares a child for more than further education, it is a place where their character is developed and their future planned. We value the involvement and partnership of families who are the vital influences in a child's life. We want the work of HWR and the families in our school community to work together to give the children at our school the best start we can.
