Christian Values

The Value for this Half Term is: Compassion

This week we pray for members of our Services – past and present and for their families.

If you would like us to pray for anything in particular, please fill in the prayer slip at the bottom of the newsletter and send it to school. It can be anonymous if you prefer.

Dear Parent/Carer

As part of the Childcare Sufficiency Assessment, Knowsley Childcare Information Service would like to gather information from you regarding your requirements for the use of wraparound childcare provision. This will help us to identify if and where we may have a shortage of childcare to meet the needs of the families in Knowsley.

We would be grateful if you could take a couple of minutes to complete the survey <https://www.surveymonkey.co.uk/r/B3265DF> by 5pm on Friday 2nd December 2022

Kind regards

Knowsley Childcare Information Service

Our Attendance and Punctuality Charter

Regular school attendance is an important part of giving children the best possible start in life. LDST has an attendance target of 97%, with the aim that pupils and students will attend 100% of the time.

Schools within the Liverpool Diocesan Schools Trust:

- Work together to support and improve the **attendance and punctuality** of all children across our Trust
- Share best practice to promote the best attendance.

- Recognise that we must act as attendance role models for the children and young people in our care.
- Champion and celebrate outstanding and improved attendance.
- Rigorously and consistently address attendance concerns and issues
- Seek to support parents and carers to prioritise school attendance.
- Recognise that patterns form early and we encourage attendance of our youngest children.
- Encourage positive attendance across all key stages so that young people are ready for the next stage of education, training or work.
- Promote the importance of children arriving at school on time and remaining at school all day.

Learners with good attendance make greater progress.

The minimum we expect for attendance is **97%, with excellent punctuality**. Thank you to all those many, many families and children who hold attendance as a high priority. We know you support your child and want the best for them. **We know that children are sometimes ill and we know that Covid can have a big impact on a child's attendance and we understand this.**

What we also know is that holidays during term time, appointments made during school hours and unnecessary absences make a difference to the child's attendance and hence interrupts learning and friendships. These unnecessary absences are things such as:

- Waking up late but staying off school all day instead of coming late.
- Attending a medical appointment in the morning, but not coming back to school afterwards.
- Attending a medial appointment in the afternoon but not coming into school for the morning session.
- Feeling unwell in the morning, feeling better by lunchtime, but not coming to school.
- Taking a Friday off when going away or the weekend 'to miss the traffic'.
- A late night leading to tiredness and absence the whole of the next day.
- Not attending if they have not completed homework and know they are missing some play time to complete the work.

Attendance

Well done to our Attendance Trophy Winners who are 5G

Well done to 3A for the best punctuality in the school.

Whole school attendance last week was: 92.1%

Class	% Attendance	Number of lates:	Class	% Attendance	Number of lates:
R1	94.6	4	R2	82.1	5
1S	94.6	7	1R	88.0	5
2H	86.6	3	2S	91.7	10

Well done to 5G, 4M, 3A and 5Y who are 'in the green' this week.

Enrichment

These are the enrichment clubs for Half Term 2. The clubs will change for Spring 1. If your child's year group is not on the list for the current set of clubs, you will find them on the next set. We have spread the clubs and year groups across the year to try to make sure all year groups are offered a club at some point in the year.

Staff will send out Dojos or letters to inform you of arrangements for these activities.

This is our annual Open Evening for families who are considering sending their child to Huyton with Roby. The staff, along with some children keep school open to show activities and resources and to meet prospective children and families.

Please spread the word to any friends or neighbours who are looking for a Reception place in September 2023.

Support for Families

Struggling with Behaviours that Challenge?

ADDvanced Solutions
Community Network
Supporting you to find the answers

The Supporting Behaviours that Challenge offer is open to families in Knowsley whose child/young person is presenting with behaviours that they don't always understand. ADDvanced Solutions Community Network will be working alongside other Knowsley agencies and services to offer families training and support.

For more information check out our Knowsley newsletter at www.addvancedsolutions.co.uk

NEURODEVELOPMENTAL CONDITIONS FAMILY LEARNING PROGRAMME

Our Neurodevelopmental Conditions Family Learning Programme provides an opportunity for parents and carers to gain understanding and skills about neurodevelopmental conditions including autism and ADHD (pre, during and post-diagnosis) with strategies to support the difficulties that may present.

SUPPORTING BEHAVIOURS THAT CHALLENGE FAMILY LEARNING PROGRAMME

Our Supporting Behaviours that Challenge Family Learning Programme is for parents and carers who wish to gain understanding and skills about their child/young person's behaviours that challenge in order to identify what's really going on, whilst learning strategies to support them.

Following attendance of either of these programmes your child/young person will be eligible to register for our children/young people's offer to help them better understand themselves.

ND AND ME/UNDERSTANDING ME

Small group work for children aged 8-11 to help them to better understand themselves and manage the behaviours they present with.

COACHING FOR YOUNG PEOPLE 12-25

To better understand themselves, promote positive decision making and manage difficulties that may affect their behaviour. Young people aged 18-25 who are presenting with behaviours that challenge can register their interest to attend without their parents/carers attending either of the learning programmes beforehand.

PROFESSIONALS TRAINING OFFER

Training for professionals working with families struggling with behaviours that challenge and any possible neurodevelopmental conditions.

Picture News

Bible link: Galatians 6:2
Biblical value: Compassion
Key idea: Rescue Pets

Dear God,
Thank you for all the amazing pets you created,
Help us to understand what it takes to look after and
care for a pet,
Thank you for animal rescue groups, who show care
and love and help others in times of need,
Amen

Think

Animal rescue groups in countries around the world are seeing a jump in the number of animals being brought to their shelters, as household finances are squeezed. One of the main causes is thought to be the cost of living crisis, which has meant many different costs have increased. This includes pet food ingredients such as meat, grains and micronutrients, all of which have become more expensive in recent months.

Jesus is God and was born as a baby in Bethlehem, imbued with the Holy Spirit. Jesus' life and teachings demonstrate God's care for and love of the poor and vulnerable. Sometimes, people may find themselves struggling and, perhaps, unable to care for their pet anymore. With the power of the Holy Spirit, we can help one another in times of need.

Vision

*Teach children how they should live, and they will remember it all their lives.
Proverbs 22:6*

We have chosen this verse as our vision because we want school to prepare children for living a life 'in all its fullness'. We want them to achieve well, to be a good friend and have healthy and positive relationships through life. We want children to understand how to choose a job they will be happy in and how to live a life which makes them fulfilled. We want them to see God at work in their lives and turn to him when they need to. We believe that school prepares a child for more than further education, it is a place where their character is developed and their future planned. We value the involvement and partnership of families who are the vital influences in a child's life. We want the work of HWR and the families in our school community to work together to give the children at our school the best start we can.
