Christian Values

The Value for this Half Term is: Compassion

1 Peter 3:8 is one of the most well-known Bible verses about compassion:

**"Be like-minded, be sympathetic, love one another,
be compassionate and humble."**

We can practice compassion in everyday life.

This week we pray for those with jobs where they face challenges or dangers. We pray for safety and security. If you would like us to pray for anything in particular, please fill in the prayer slip at the bottom of the newsletter and send it to school. It can be anonymous if you prefer.

Dear Parent/Carer

As part of the Childcare Sufficiency Assessment, Knowsley Childcare Information Service would like to gather information from you regarding your requirements for the use of wraparound childcare provision. This will help us to identify if and where we may have a shortage of childcare to meet the needs of the families in Knowsley.

We would be grateful if you could take a couple of minutes to complete the survey <https://www.surveymonkey.co.uk/r/B3265DF> by 5pm on Friday 2nd December 2022

Kind regards, Knowsley Childcare Information Service

School Nurse Drop-in

The School Health Service offers a monthly drop-in within Primary Schools for parents and children to attend for support with health and wellbeing.

Our School Health Service follows on from the Health Visiting Service. It's led by Specialist Public Health Nurses, Qualified Nurses and School Health Support Workers.

Our vision is to enable children, young people and families across Knowsley to access services quickly in order to be secure, healthy, have fun and achieve their full potential.

Promoting health and wellbeing, our team works in partnership with schools and other professionals to keep children healthy, happy, and safe.

Our School Health Service works with the Local Authority, schools, GPs youth services and many other community services to support the needs of children, young people, and their families.

The service is confidential, non-judgmental, and inclusive and treats all children and young people with dignity, respecting gender, sexual orientation, age, physical or mental health abilities, religion, culture, social background and lifestyle choices.

Our service offers individual, holistic care and if we are unable to meet the needs of children and young people we will try and find someone who can. Our team has a duty of care to share information safely with appropriate services if we felt children and young people were at risk.

Drop-in Details:

Day: Tuesday 6th December Time: 9-10am

Location: Huyton with Roby Primary

Beavers

For anyone interested in joining Beavers! It takes place on Mondays 6pm - 7pm at the side of St. Michaels Church.

🔗 Happy Birthday 🔗

We love to celebrate the children's birthdays with them. We appreciate your generosity when you send single wrapped sweets or cakes in to help celebrate - thank you. (Remember no nuts please - no snacks which contain nuts should be sent into school at any time.)

Also, please remember that we have a tradition here at HWR that a child (or member of staff 😊) can come to school in their own clothes on their birthday. If their birthday falls on a weekend, the child can choose to come in their own clothes on the Friday before their birthday or the Monday after. If their birthday falls in a holiday - they can come into school in their own clothes on the last day of school before the holiday.

Our Attendance and Punctuality Charter

Regular school attendance is an important part of giving children the best possible start in life. LDST has an attendance target of 97%, with the aim that pupils and students will attend 100% of the time.

Schools within the Liverpool Diocesan Schools Trust:

- Work together to support and improve the **attendance and punctuality** of all children across our Trust
- Share best practice to promote the best attendance.
- Recognise that we must act as attendance role models for the children and young people in our care.
- Champion and celebrate outstanding and improved attendance.
- Rigorously and consistently address attendance concerns and issues
- Seek to support parents and carers to prioritise school attendance.
- Recognise that patterns form early and we encourage attendance of our youngest children.
- Encourage positive attendance across all key stages so that young people are ready for the next stage of education, training or work.
- Promote the importance of children arriving at school on time and remaining at school all day.

Learners with good attendance make greater progress.

The minimum we expect for attendance is **97%, with excellent punctuality**. Thank you to all those many, many families and children who hold attendance as a high priority. We know you support your child and want the best for them. **We know that children are sometimes ill and we know that Covid can have a big impact on a child's attendance and we understand this.**

What we also know is that holidays during term time, appointments made during school hours and unnecessary absences make a difference to the child's attendance and hence interrupts learning and friendships. These unnecessary absences are things such as:

- Waking up late but staying off school all day instead of coming late.
- Attending a medical appointment in the morning, but not coming back to school afterwards.
- Attending a medical appointment in the afternoon but not coming into school for the morning session.
- Feeling unwell in the morning, feeling better by lunchtime, but not coming to school.
- Taking a Friday off when going away or the weekend 'to miss the traffic'.
- A late night leading to tiredness and absence the whole of the next day.
- Not attending if they have not completed homework and know they are missing some play time to complete the work.

Attendance

Well done to our Attendance Trophy Winners who are 2S and 3G
Well done to 2S and 3G for the best punctuality in the school.

Christmas Card Design Competition for 2023

Home Bargains are running a competition to design next year's Alder Hey Charity Christmas Cards!

Check out our School Story Dojo for the information and entry form.
 Deadline is 31st January 2023.

Car Park

Pedestrians should not be crossing the car park and especially not children. Please use the pathways and ensure you supervise your child as you walk with them near the car park.

Attendance Competition

Remember we have got an 'Excellent Attendance' competition running to win a tablet. If your child has excellent attendance, their name will be put in the draw towards the end of this term. There is still time to improve attendance in order to be eligible for the draw. There will be two draws – one for EYFS/KS1 children and one for KS2 children.

Does your child need care this winter?

**Urgent Treatment Centre**

**GP Surgery**

**Pharmacy**

Choose the right service

**111.nhs.uk**

**Call NHS 111**

If your child is ill it can be a worrying time, but lots of childhood illnesses can be treated quickly and effectively at home or by accessing the right healthcare service. Here is our handy guide to services available in your area. By choosing the right service you can help your little one feel better, quicker.

Online symptom checker
Our friends at Alder Hey have created an online symptom checker with lots of useful advice on common symptoms in children. Visit the website: www.alderhey.nhs.uk/symptom-checker
You can then decide where best to get the right care for your child.

When to go to a doctor
If you are worried about your child's health, then you should speak to your GP first. Out of hours, you can call 111 who will help to decide whether your child needs to be seen right away or if the issue can wait to be treated the next day by your own family doctor.
Common illnesses that can be treated by your GP are:

- Persistent coughs
- Skin infections
- Eye infections
- Ear pain

When to go to A&E
Accident and Emergency is for people with life-threatening illness or injury, so if you think your child needs immediate attention, then you should attend A&E. Conditions that require immediate attention include:

- Shortness of breath or working hard to breathe resulting in drawing in of the chest when breathing or making a grunting noise
- Seizures
- Severe bleeding or burns
- Head or eye injuries
- Allergic reactions causing swelling of the face, lips, eyes or tongue, fainting or trouble breathing
- Serious animal bites
- Infants under 2 months of age with a fever
- Blue or purple lips, skin or fingernails
- Uncontrolled pain

When to go to a pharmacy
Your local pharmacy can offer advice and has a wide range of over-the-counter medicines that can help treat common illnesses. Make the pharmacy your first stop to help with:

- Coughs and colds
- Upset tummy
- Minor cuts, bumps and bruises
- Minor stings and bites

When to go to urgent treatment / walk-in centres
If your GP surgery is closed, or your child's condition is more urgent, but not life-threatening, then your local Urgent Treatment / Walk-in Centre has specialist nurses and doctors that can help. Many local centres have x ray equipment too, which means you don't always need to attend A&E. Common conditions that can be treated here include:

- Cuts and scrapes
- Minor burns
- Minor breathing difficulties (asthma / croup / bronchiolitis)
- Suspected fractures
- Uncontrolled fever

If your child is struggling to breathe or loses consciousness, you should call 999

 **Urgent Treatment & Walk-in Centres**
Your local centre is closer than you think.
Open 365 days a year, including bank holidays, to treat all sorts of urgent illnesses and injuries.

Support for Families

Struggling with Behaviours that Challenge?

The Supporting Behaviours that Challenge offer is open to families in Knowsley whose child/young person is presenting with behaviours that they don't always understand. ADDvanced Solutions Community Network will be working alongside other Knowsley agencies and services to offer families training and support.

For more information check out our Knowsley newsletter at www.addvancedsolutions.co.uk

NEURODEVELOPMENTAL CONDITIONS FAMILY LEARNING PROGRAMME

Our Neurodevelopmental Conditions Family Learning Programme provides an opportunity for parents and carers to gain understanding and skills about neurodevelopmental conditions including autism and ADHD (pre, during and post-diagnosis) with strategies to support the difficulties that may present.

SUPPORTING BEHAVIOURS THAT CHALLENGE FAMILY LEARNING PROGRAMME

Our Supporting Behaviours that Challenge Family Learning Programme is for parents and carers who wish to gain understanding and skills about their child/young person's behaviours that challenge in order to identify what's really going on, whilst learning strategies to support them.

Following attendance of either of these programmes your child/young person will be eligible to register for our children/young people's offer to help them better understand themselves.

ND AND ME/UNDERSTANDING ME

Small group work for children aged 8-11 to help them to better understand themselves and manage the behaviours they present with.

COACHING FOR YOUNG PEOPLE 12-25

To better understand themselves, promote positive decision making and manage difficulties that may affect their behaviour. Young people aged 18-25 who are presenting with behaviours that challenge can register their interest to attend without their parents/carers attending either of the learning programmes beforehand.

PROFESSIONALS TRAINING OFFER

Training for professionals working with families struggling with behaviours that challenge and any possible neurodevelopmental conditions.

Picture News

This week's Picture News Question centred around the World Cup in Qatar. We discussed 'What Can Football Teach Us About The Wider World?'

Here are some of the questions we worked through and the prayer we used to ask God to help us to be inclusive and welcoming in the diverse world in which we all live.

Bible link: Hebrews 13:2

Biblical value: Respect

Key idea: A warm welcome for everyone

Pupil talk

- Have you ever been made to feel welcome or unwelcome?
- Think about a time you visited somewhere new. What did you learn from your new experience? Were you made to feel welcome?

Think

The men's FIFA World Cup 2022 has started in Qatar and will run until 18th December. It is the 22nd edition of the competition, and the first played in the Arab world. Usually, the event takes place in summer but because of the extreme heat at that time of year, it has been moved to a winter slot, though temperatures will still reach about 25°C. There has been criticism over the decision to stage the tournament in Qatar because of concerns over the country's poor treatment of the large number of workers from other countries employed to help Qatar prepare for the tournament.

There are many reasons people may visit another country, perhaps on holiday, for work or to take part in a football competition! The Bible encourages us to think of other people and make them feel welcome even when we do not know them.

Invitation prayer

Dear God,
Thank you for teaching us to welcome everyone,
Thank you for new places and new situations that
we experience with a warm welcome,
Help us to provide a warm welcome to others,
Amen

Key stage 1 class discussion

- Can you remember your first day at school?
What was it like? Did you feel welcomed?
- If somebody new visits or joins your class,
what could you do to make them feel welcome?
- Do you like visiting new places?

Key stage 2 class discussion

- Qatar is hosting the men's FIFA World Cup.
What responsibilities do you think come with
hosting an event?
- Discuss what you think makes a good/bad host.
- Have you ever hosted or helped to host an event?
E.g., a school event, a birthday party?

Vision

*Teach children how they should live, and they will remember it all their lives.
Proverbs 22:6*

We have chosen this verse as our vision because we want school to prepare children for living a life 'in all its fullness'. We want them to achieve well, to be a good friend and have healthy and positive relationships through life. We want children to understand how to choose a job they will be happy in and how to live a life which makes them fulfilled. We want them to see God at work in their lives and turn to him when they need to. We believe that school prepares a child for more than further education, it is a place where their character is developed and their future planned. We value the involvement and partnership of families who are the vital influences in a child's life. We want the work of HWR and the families in our school community to work together to give the children at our school the best start we can.
