## Picture News

### What's happening in the news this week?

Let's have a look at this week's poster!

5th - 11th February 2024

45-year-old Mar Galcerán from Spain has become the country's first elected parliamentarian with Down's syndrome. Maria del Mar Galcerán Gadea is thought to be the first person with the genetic disorder to join a European regional or national parliament. She has been involved with politics since she was 18, when she joined Spain's conservative People's Party. Speaking to the media, Mar Galcerán said she wants to be seen as a person, and not for her disability.

### Think together and talk

- Have you ever felt inspired by someone? Who was it? How did they inspire you?
- Can you think of a time when you had to show courage, determination and/or resilience?
- Have you ever been inspired by something else such as a book, song, or piece of art?

### Prayer

Dear God,  
Thank you for all the people and things that inspire and encourage us,  
Thank you for my gifts and talents that inspire others,  
Thank you for Jesus, who showed us how to live,  
Amen

Be the reason someone smiles.  
Be the reason someone feels  
loved and believes in the  
goodness in people.

### Vision

*Teach children how they should live, and they will remember it all their lives.  
Proverbs 22:6*

Our vision is the verse from Proverbs which reflects our core purpose at Huyton with Roby to prepare children for living a life 'in all its fullness'. We want them to see God at work in their lives. We believe that school prepares a child for more than further education, it is a place where their character is developed and their future planned.

### Motto

*Working Together*
