Christian Values

The Value for this Half Term is: **Respect and Reverence**

Matthew 7:12

“Do to others whatever you would like them to do to you”

This verse instructs us to treat others with the same respect, kindness, and fairness that we wish for ourselves. Respecting others involves considering their feelings, needs, and well-being in our interactions.

This week we pray for the community local to our school. We pray for peace across our community. We pray that people will be well and their families happy.

If you would like us to pray for anything in particular, please fill in the prayer slip at the bottom of the newsletter and send it to school. It can be anonymous if you prefer.

Remarkable Readers

We have launched a new reading award in school today to help promote reading for pleasure at home. One child from each class was presented with a remarkable reader bag. Inside each bag is a reading buddy, (reading cushion Y6), a sachet of hot chocolate, a reading book, and a reading journal. It's an opportunity for your child to curl up with a good book, a mug of hot chocolate and a reading buddy!

The reading book has been selected by your child's class teacher and is a story they think they will enjoy. When your child receives the award, we would love them to fill in a page in the reading journal. The children could write a review of the book in the reading bag or if they have another favourite at home, they could write a review or draw a picture of this. There are some instructions and ideas inside the journal to get the children started.

The Remarkable Reader bag and its content including the book will need to be returned by the Thursday of the following week to be given out again during Friday's Celebration Assembly.

Happy Reading!

Snapmaps is a feature on Snapchat, which allows Snapchat users to see **exactly** where they are - it is extremely accurate.

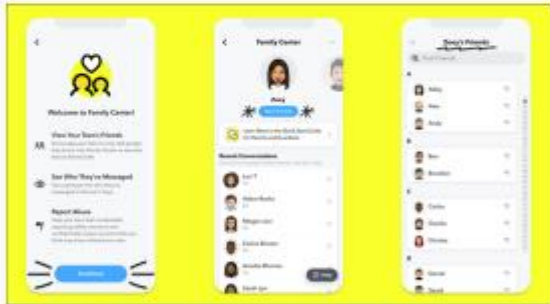

Unless you change your privacy settings, anyone can see you and any posts you submit to Snapmaps.

Be sure to check your children's privacy settings and make sure they are not publically visible.

There was a 25% rise in child abuse image offences recorded by UK police in 2022/23

Snapchat was involved in almost half (44%) of instances where the online platform was identified by police.

THE FAMILY CENTER

The Family Center was introduced by Snapchat in August 2022 to enhance Snapchats safeguarding element when it comes to teen accounts.

Snapchat states that their users must be over the age of 13 years, but we know that this does not necessarily mean that the users are over 13.

The family center allows a teen user account and a parental user account to be linked. This allows the parental account to view their teens friends, see who they are messaging (you cannot see content of those messages).

For more on The Family Centre click here

Do you know who your children are **speaking to** on Snapchat?

Their "best friends" will be who they speak to the most. But any of their contacts can see their "stories" and message them.

Make sure they only add or accept people **they know**.

"My Eyes Only" is a section of Snapchat where you can save stories or images which are **locked by a passcode** set by the user.

These images are only visible when the passcode is entered, the passcode cannot be recovered by Snapchat.

Investigations have highlighted this is the section where children are saving and storing indecent images of themselves, or other children.

It is legal to take, possess or share indecent images' of anyone under age of 18 - Including yourself

**What's happening
in the news this week?**

Let's have a look at this week's poster!

15th - 21st April 2024

Let's look at this week's story

A new artwork, from the mysterious street artist Banksy, appeared in North London overnight in March. The artwork shows green paint sprayed on a wall behind a cut-back tree to look like greenery, with a stencil of a person holding a spray can next to it. In the days following its creation, it was covered with plastic and surrounded by wooden boards to protect it. The local council, Islington, has added a frame around the site, which has plastic panels to allow people to view the artwork, whilst ensuring its protection.

In the Old Testament, God gave people - including two men, Bezalel and Oholiab - artistic gifts so that they could create a special place for Him to meet with His people. It was a tabernacle (a tent) filled with artistic designs and furnishings made from gold, silver, wood and stone. As people entered, they could feel the wonder, power and majesty of God.

Then the Lord said to Moses, "See, I have chosen Bezalel son of Uri, the son of Hur, of the tribe of Judah, and I have filled him with the Spirit of God, with wisdom, with understanding, with knowledge and with all kinds of skills to make artistic designs for work in gold, silver and bronze, to cut and set stones, to work in wood, and to engage in all kinds of crafts. Moreover, I have appointed Oholiab son of Ahisamak, of the tribe of Dan, to help him. Also, I have given ability to all the skilled workers to make everything I have commanded you: the tent of meeting, the ark of the covenant law with the atonement cover on it, and all the other furnishings of the tent."

Exodus 31: 1-7

Prayer

Dear God,
 Thank you that we live in a world full of creativity.
 Thank you that we are all different and show our creativity in different ways.
 Help us to find places and things we can look at and feel a sense of wonder.
 Amen

Vision

*Teach children how they should live, and they will remember it all their lives.
Proverbs 22:6*

Our vision is the verse from Proverbs which reflects our core purpose at Huyton with Roby to prepare children for living a life 'in all its fullness'. We want them to see God at work in their lives. We believe that school prepares a child for more than further education, it is a place where their character is developed and their future planned.
